

Name:

Kiran Deep Kaur
(First Name)

Ahuja

(Surname)

Date of Birth:

Female

Introduce yourself in a brief paragraph: I am currently working as a Research Fellow at the University of Tasmania. My focus of research is to investigate the effects of different foods on a range of risk factors for cardiovascular disease. Information on my recent publications and ongoing projects is available at the following website http://rmdb.research.utas.edu.au/public/rmdb?indiv_detail_warp_trans+8726
