Name: DAMYANTI   SHARMA

Introduce yourself in a brief paragraph:
Hi, I am Damyanti Sharma, from Uttar Pradesh, India; I came to Australia in 2004 as research fellow at Univ of South Australia. I am citizen of Australia now. I was in Adelaide for three years then moved to University of Wollongong 3 years back. I am working as a Research Fellow at the Intelligent Polymer Research Institute, University of Wollongong.
i am working in the field of polymers where we apply biodrgradable polymers for various biomedical applications like cardiovascular stents, nerve repar etc.
 I am very happy to be here and work here.
