

Name:

Devleena (*First Name*) **GHOSH** (*Surname*)

Introduce yourself in a brief paragraph:

I am interested in culture and commerce in the Indian Ocean region, histories of migration and travel in the Indian Ocean, colonial and postcolonial histories and art, culture and performance in the South Asian diaspora world wide.

I am the founder-director of the Indian Ocean and South Asia Research Network at the University of Technology Sydney. We have hosted and supported various events including conferences on Oceanic Circulations, Sustainability in the Indian Ocean, Mauritius Australia connections, Health and Borders in India and China as well as speakers such as Kamila Shamsie, Dipesh Chakrabarty, Gyan Pandey, Thomas Eriksen and others.
