**Name:**

*Girija*                                    Chetty

**Introduce yourself in a brief paragraph:**

**My name is Girija Chetty and I am born and brought up in India before migrating to Australia in 1993. I have a Bachelors and Masters Degree in Electrical Engineering and Computer Science from VNIT, Nagpur India, and work experience spanning 25 years in different roles as a software engineer, researcher, Lecturer and Assistant Professor from several Universities in Australia since 1993. I have been teaching Software Engineering courses at graduate and undergraduate level in University of Canberra since last five years and my research interests are in the area of Software Engineering, Biometric Security and Computer Vision.**
**My husband Dr. Madhusudan Chetty is also an academic and researcher in Monash University Australia, and we have a daughter Kritika who is finishing here MBBS from Monash University Australia.**
