ICCR Scholarships under IOR-ARC scholarship scheme for the 2012-13 Academic Session.

The High Commission is happy to inform that the Indian Council for Cultural Relations (ICCR) has offered two scholarship slots to meritorious students from each IOR-ARC country for **Post Graduate Courses only**, on behalf of the Ministry of External Affairs, New Delhi for the academic year 2012-13. A copy of the application form is enclosed and additional copies can be made for further use. A copy of Financial Terms and Conditions offered alongwith guidelines for the scholarship is also enclosed.

While ICCR tries to select Universities for scholars that provide hostel facilities, their admission to the hostel cannot always be guaranteed and the scholars may have to rent private accommodation.

It may also kindly be noted that, in case of scholars pursuing Science courses, the expenditure on laboratory chemicals and other related incidental charges will be borne by the scholars themselves. No air-fare will be provided under this scheme.

Interested candidates may kindly send completed applications to the High Commission of India at the following address latest by 15th February 2012, for consideration.
