I am an academic staff at the University of Technology, Sydney (UTS), Australia, in the [Faculty of Engineering and Information Technology](#) since January 2001. I am the Program Director for Bachelor of Information Technology (BIT) Program.

Prior to this, I served at the University of New South Wales (UNSW), [School of Computer Science and Engineering](#) (September 1999 – January 2001) and Regional Engineering College (REC, name changed to NIT), Rourkela, India in the [Department of Computer Science and Engineering](#) (September 1991-September 1999) both as an academic staff.

In the past I held Visiting Professor and Research Visitor position at University of Minnesota (UoM), Minneapolis, USA in the [Department of Computer Science and Engineering](#) (January 2004 – May 2004) during my Sabbatical leave from UTS.

I have 19 years of experience in [Teaching](#) and [Research](#). I also serve as a Core Research member in [Research Centre for Innovation in IT Services and Applications iNEXT](#) and as a steering committee member in [IPv6 work Group](#) committee in [Australia's Academic and Research Network (AARNET)](#)
