

**Name: Geeta**

**Pradeep**

**Introduce yourself in a brief paragraph:**

**I am a Lecturer in Pharmacy Practice in the School of Biomedical Sciences, Charles Sturt University, Orange campus. I have completed my Masters In Pharmacy Practice from India in 2000 and have since then been employed as Lecturer in Pharmacy Practice at Al-Ameen College of Pharmacy in Bangalore, India. I have had a teacher - practitioner role at Al-Ameen where my duties were training and teaching M.Pharm pharmacy practice students Hospital and Community Pharmacy as well as Pharmacotherapeutics as well as providing clinical pharmacy services to the hospitals attached to the college. I have experience in Adverse drug reaction monitoring, drug information services as well as patient counseling and medication management. I have had training in Switzerland as well as USA in various aspects of rational medicines usage and medication management services.**

**I have taken up the teaching position in Australia since 2008 and have been granted permanent residence status under the Regional sponsor migration scheme. My husband is a HR professional currently employed in Melbourne and we have two daughters attending primary school here in Orange.**
