**Srivastava**

**Introduce yourself in a brief paragraph:**

**Before joining Monash I worked as a lawyer in India for three years. My Phd thesis focuses on the reasons why there is a lack of acceptance of electronic signatures by the business community. My research interests include legal issues in E-business and E-commerce, E-Signatures, E-government, Cyberbullying, Internet security, technology management and E-crimes.**

**I teach in undergraduate and graduate programs in the area of business law at Monash.**
