

## Introduction

### MSTC LIMITED

- MSTC Limited is a Mini Ratna Category-I PSU under the administrative control of the Ministry of Steel, Government of India. The company was set up on 9th September 1964 to act as a regulating authority for export of ferrous scrap.
- Of late, MSTC Ltd has emerged as a major player in the country for promoting e-commerce. It has presented with e-Auction portal namely, [www.mstcecommerce.com](http://www.mstcecommerce.com) which has become immensely popular tool for transacting business over the internet in a most transparent and fair manner. The portal provides a virtual marketplace for domestic sellers and buyers to do business in metal scrap (ferrous/non-ferrous), surplus stores, machineries, obsolete spares, vehicles, minerals and agriculture & forest produce etc. The methodology adopted includes open tender, public auction and e-auction.

### Auto Shredding Plant project

- To expand its spectrum of operation in India, MSTC Ltd has embarked upon the project for setting up of a facility for the processing of End of Life Vehicles (ELVs) and End of Life White-goods.
- The plant is expected to use an automated process for shredding of End of Life Vehicles (ELV's)/Condemned scrap cars and End of Life /Condemned white goods (AC, refrigerator etc.) and will use state of the art sorting technologies to separate the ferrous and non-ferrous metals.
